

# CibSE 2013

XVI Ibero-American Conference on Software Engineering  
XVI Congreso Iberoamericano en "Software Engineering"  
XVI Congresso Ibero-Americano em Engenharia de Software

Montevideo - Uruguay  
8, 9 y 10 de abril 2013

## Cibse 2013: call for tutorials

CIBSE 2013 invites those authors interested to submit tutorial ideas for any of the topic of interest of the event. Tutorials have an established duration of 3 hours, and a summary of the topic will be included in the conference proceedings. Tutorial proposals can be sent in any of the official conference languages (English, Spanish or Portuguese). It is accepted that the tutorial will be presented in the language in which it the proposal was submitted.

Those authors with accepted tutorial will be extended a Full conference<sup>1</sup> invitation to present the tutorial at the event (one invitation per tutorial).

Proposals will be received until 15th February 2013 and notification of acceptance will be on 1st March 2013. Proposals must be sent in PDF or Word to the email: [smatalonga@uni.ort.edu.uy](mailto:smatalonga@uni.ort.edu.uy).

The proposals must include the following information:

(\* To help prospective authors the following from is [form](#))

- Title.
- Authors name (and affiliation).
- Abstract (between 200 and 600 words).
- Prospective audience.
- Learning outcomes: Between two or three bullets identifying key takeaways from the tutorial.
- Required resources: Any logistic or materials which the organization must provide to the exhibitor.
- If the tutorial was presented at another venue, authors are kindly asked to identify the event.
- Short authors bio.

---

<sup>1</sup> A Full conference invitation includes access to all conference days; proceedings and invitation to the gala dinner.
